- Parties leaving air conditioners on will be fined \$50 per day until they are turned off.
- Live aboard vessels may only operate air conditioners while occupants are on board.
- Parties leaving air conditioners on while not on board will be fined \$50 for each recorded instance in each 24 hour period.

Marina Maintenance Policy

- Lock Maintenance

In the event of scheduled lock maintenance a notice will be placed in the notice board describing the problem and the expected down time. All vessel owners will receive a text message to their designated mobile phone.

PLEASE MAKE SURE YOUR MOBILE NUMBER IS REGISTERED WITH THE LOCKMASTER

- General Maintenance

In the event of any maintenance problem please contact the Lockmaster who will arrange prompt repairs. All major maintenance items will be tagged and dated. If delays occur in repairs the reason will be noted on the tag for residents' information.

Vessel Maintenance Policy

- Minor maintenance on vessels may be carried out without the permission of the Lockmaster. This is defined as taking less than one day and only between 8am and 5pm.
- Minor maintenance specifically excludes the use of power tools and refueling.
- Major maintenance is defined as maintenance which will take more than one day and with the use of power tools.
- Major maintenance requires written permission from the Lockmaster ideally in the form of an email stating the time frame for completion of the work and a description of the work to be carried out.
- The following maintenance must not be carried out in the Marina;
 - The grinding of metal to remove rust on the exterior of a vessel.
 - The sanding and painting of the whole exterior of a vessel.
 - Allowing any waste materials to enter the waterway.
- All rubbish must be removed prior to departure.

Common Walkway Policy

- A person is not allowed to obstruct or impede the use of or access to a jetty by another person. Items left on the walkways will be confiscated.
